

"Immersed", Gouache on paper, 11" x 15", K. Andrea

Introducing

"All at Once"

*A Collection of Gouache
Paintings on Paper from the
series 'States of Being'*

by Kim Andrea

"Within this body of work, there are realms: patterns of flow around subjective objects, radiances from objects, impacts upon objects, and descriptions of estate.

I am seeking through these paintings to express the essence of a *perception*. Each painting is a glimpse; a reflection of an aspect of subjective experience."
